ASP.NET Cookbook. The ASP.NET Cookbook is finally 100% complete and submitted to the publisher, SAMS (as of 2/26/03). This has been quite an undertaking, and having completed the longest and hardest phase of the book writing process (author review remains, but is not nearly as arduous), I must once again say that I never want to write another book. Of course, I said that after writing ASP.NET By Example, too....
