## **Case IH JXU Series SPECIFICATIONS I - Power Farming**

Hi, My neighbour has a Jxu 105, it's a 2010 model with power shuttle, electric pto and manual lift levers. He says that sometimes he switches on the pto and the light comes on the dash but the pto doesn't turn. He put it up to me to have a look at it and it worked every time - typical! Anyone come across this problem before?
