To teach kindergarten math, I use a guided math format. Let's break down what is guided math, how to get started, and how to set up a system that works for you and ideas on how to think outside of your current curriculum. Teaching math in small groups like this has become my go-to way of teaching kindergarten math and I won't go back to doing it only whole group.

The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.
