Angry South African Cricketers Demand Governance Reform Angry national team players have called on members of the Cricket South Africa (CSA) board to put "politics and selfinterest" aside or face the collapse of the professional game in the country.

Angry South African Cricketers Demand Governance Reform

Due to the influence of previous South African and Nigerian leaders, the African Union established the African Peer Review Mechanism (APRM) to review and report on a range of governance criteria. By 2016, 35 AU members had 'joined' it, but less than half actually subjected themselves to being assessed.

African Governance: Challenges and Their Implications ...

The handbook has been produced by a collaborative effort among researchers and practitioners across Africa. It provides guidance on undertaking a process of security-sector transformation consistent with democratic governance principles and a human security agenda. It is primarily intended for security-sector practitioners both in the security organisations and among the civil authorities charged with managing and monitoring the activities of the security organisations.

Security Sector Governance in Africa: A Handbook ...

A framework for security sector reform (SSR) emerged in 1999 after international development actors observed from examples in South Africa, Indonesia and countries in Eastern Europe that national security and its components were considered crucial in a state recovering from conflict or an authoritarian regime.
