Organizational Design: Theory, Principles & Definition ...

The human relations theory, also known as neo-classical theory, states that while designing an organisation structure, the people who are employed there and their behaviour should be taken into consideration. No manager can think solely of job descriptions, he has also to think of why people behave as they do and what influences their behaviour.

Organizational Theories: 12 Major Organizational Theories

Organizational Theory. Correctly applying organizational theory can have several benefits for both the organization and society at large. As many organizations strive to integrate themselves into capitalistic societies, they initiate a ripple effect between other competing firms and already-existing economic pressures.
