Popular Lies About Graphic Design

Popular Lies About Graphic Design is a slim book that hurls lumps of coal at dozens of the clichés that plague graphic designers each day. Some of the pills dispensed by the New York-based designer Craig Ward are of the bitter variety...

Popular Lies About Graphic Design: Ward, Craig ...

Multi award-winning designer, typographer and TED speaker, Craig Ward, presents his first self-authored book - Popular Lies About Graphic Design. An attempt to debunk the various misconceptions, half truths and, in some cases, outright lies which permeate the industry of design.

Popular Lies About Graphic Design by Craig Ward

In Popular Lies About Graphic Design (UK; public library), New-York-based British designer Craig Ward sets out to debunk the “misconceptions, half truths and, in some cases, outright lies” embedded in the familiar aphorisms and maxims instilled in young designers — a crusade against putting blind religion rather than critical thought at the heart of the discipline.

Popular Lies About Graphic Design - Brain Pickings

The result, 160 pages later, is ‘Popular Lies About Graphic Design’... Drawing on my ten years experience, it tackles lighter subjects such as design fetishists, Helvetica’s neutrality and ‘urgent’ briefs, alongside discussions on more worthy topics such as the validity of design education, the supposed death of print, client relationships and pitch planning.

Popular Lies About Graphic Design on Behance

I've been reading Popular Lies About Graphic Design, by Craig Ward. It's excellent, for Craig's opinions as well as the visuals used to express them. “When a headline or piece of communication is presented in such a way that you can't imagine it ever looking any other way; when you can't pick a hole in the kerning of a single pair of letters; when you are struck between the eyes by a ...

The result, 160 pages later, is 'Popular Lies About Graphic Design' and it will be available, happily, just in time for Christmas. In fact, it's now available for pre-order here on Amazon for those in the USA. Rest of the world, patience please.

Popular Lies About Graphic Design | The Words are Pictures ...

But the happiest payoff of "Popular Lies" is that Ward brings as much vision and wit and clarity to the content of his words as he usually does to the visuals of them. This is a lovely, lively book, one that non-industry readers like me, who just barely qualify as the "fetish for design" types, will adore just as much as the working professionals and students to which Ward so eloquently imparts his wisdom.

Amazon.com: Customer reviews: Popular Lies About Graphic ...

The following excerpts comes from Craig Ward's new book, "Popular Lies About Graphic Design" . Like many professionals, designers occasionally disappear into a rabbit hole of their own pressure-cooker deadlines and half-baked design prejudices.
