The Storytellers Guide American Storytelling

European-American mothers are more likely to refer to past events than Asian mothers. Also the way they talk about the past is very different, we have found in our own research. For example, European-American mothers tend to share memories in the form of storytelling, and they invite the child to co-construct the story with them.

Storytelling, American style

With that in mind, we have put together this guide to help scientists become better communicators— to empower them with the skills and confidence to tell stories on a wider scale. We've included best practices from science communicators and storytelling experts, along with how to

apply them to common challenges, as well as examples of how
