Review: The Stuff of Thought by Steven Pinker | Books ...

For Steven Pinker, the brilliance of the mind lies in the way it uses just two processes to turn the finite building blocks of our language into infinite meanings. The first is metaphor: we take a...

Steven Pinker - The Stuff of Thought: Language as a window into human nature

Now, in The Stuff of Thought, Pinker marries two of the subjects he knows best: language and human nature. The result is a fascinating look at how our words explain our nature. What does swearing...

The Stuff of Thought: Language as a Window Into Human ...

The Stuff of Thought can be a little technical as well. After an introduction in the most appealing Pinker style, chapters 2 and 3, on the ways verbs imply metaphorical categories and the reasons competing language theories are wrong, are both persuasive and engaging, but only if you think about them really, really hard.

The Stuff of Thought: Language as a... book by Steven Pinker

Steven Pinker's "The Stuff of Thought" is about language. Yet - it is not just about the language. It's a deep philosophical tractate about the very nature of mind and its interaction with the world. "Language is a window into human nature, exposing deep and universal features of our thoughts and feelings.
