large family car from German automaker Volkswagen and was introduced in 1973. Its derivatives have been badged variously as the Dasher, Quantum, Magotan, Carat, Corsar and Santana, through six generations. The first Passat was developed partly from the Audi 80/Fox and, until 2005, the two shared a ...

1999 Volkswagen
Passat Repair? I have a
1999 VW Passat. The
front left wheel well
makes a loud humming
sound when driven,
however, the noise
dissapears when I turn
the wheel to the left.
Was told it may be an
issue with the control
arm. Do you have an
estimate as to how
much it would cost to
have this replaced?
