Summer Training for Football (with 8-Week Program) / Elite FTS

training (who gets bored doing a different workout every week?!). That got me thinking – how many workouts do I know about? I started keeping a list, and before I knew it the list had grown to over 40 workouts. With a little more thought, I expanded the list to 52 workouts. That's a different workout for every week of the year.

52-Week Football Training book by Ben Cook

Although periodization is essentially an approach primarily designed to train athletes, it is directly applicable to your desire to establish a 52-week training program. In short, this approach breaks-down your 52-week goals into bite-sized mini-programs throughout the year (macro, meso and micro cycles). I hope this helps.

The eight weeks must be broken up into segments that contain seven consecutive calendar days. The discretionary time period must be placed on file in the school's athletic department before Jan. 1. Mandatory team conditioning, film review and weight training can also be completed outside of the student-athlete discretionary period.

NCAA Spring Football Practice Rules | SportsRec

Training 52 weeks for an IM would be mentally tough. Most folks build their base and then do actual IM training 4-6 months. I'm doing my first IM next July. I have a coach and he'll guide me so I get ready.
