Climate Migration And Security Securitisation

Climate migration, as an image of people moving due to sea-level rise and increased drought, has been presented as one of the main security risks of global warming. The rationale is that climate change will cause mass movements of climate refugees, causing tensions and even violent conflict. Through the lens of climate change politics and securitisation theory, Ingrid Boas examines how

Chapter 9 Migration, Security and the Debate on Climate Change

migration seems to oppose couching Climate-induced migration in terms of military security, a lot more express sympathy to the concept of human security (e.g. Brauch et al. 2009). This tendency mirrors a division which is made in the general literature on securitisation.

The Securitisation of Climate- Induced Migration: Critical ...

Abstract. Over the past decade, North Atlantic security officials have become increasingly preoccupied with climate change. 2 This is not surprising. After all, climate change will likely prompt significant geopolitical competition as countries secure access to oil and natural gas, prevent food insecurities, and even cope with strategic challenges presented by the opening of Arctic sea routes ...

The “Securitization” of Climate-Induced Migration ...

The principal claim is that critical evaluation of the security dimensions of climate change and migration must begin with the epistemological challenge that knowledge about climate change and human migration is speculative and future-conditional. This introductory piece then provides short synopses of each article included in the special issue.

Securitizing ‘climate refugees’: the futurology of climate ...

This paper looks at recent studies that have addressed climate change as a security issue. Posing climate change as a pro blem for security has provided it with a major boost in attention. However, it raises the potential of ‘securitization’, i.e. that the issue is primarily addressed via traditional means of security policy. The paper analyses how selected studies frame the issue of ...
