Decisive: How to Make Better Choices (Book Summary)

The first thing to do when looking to become a better decision maker is to widen your options. If you are tasked with making a decision, it is important to think about all of the possibilities, rather than be closed minded. When looking to make a decision, people should consider more than one option, and adopt a "this and that" mindset.

Decisive: How to Make Better Choices in Life and Work Summary

In "Decisive", the Heath brothers explain why we make poor decisions, and how we can counter our own mental/emotional biases to make better choices. The authors present 4 key steps in a typical decision-making process, the "villain" that causes bad decisions at each step, and how we can counter them using the "WRAP process" to make better choices.

Book Summary - Decisive: How to Make Better Choices in ...

To make better decisions, first write your problem down on a piece of paper, since writing it out can help you focus on it. In addition to better understanding the issue, write down what your motivation

is for making a certain decision. For example, do you want to get a new car because your friends have one or because you need one for work?
