Discourse On Just And Unjust

Justice discourse has long played an important moral and strategic role in the waging of war. Whether the cause is a just one is determined by the jus ad bellum, the 'law of war'. Whether the mode of fighting a war is just is determined by the jus in bello, the 'law in war'. The international system has tried to limit the grounds for initiating hostilities and also the means by which ...

In this debate, Just speech represents the old traditions and mores of Greece while the contrasting Unjust speech is considered to be newfangled and cynical towards the old. While the defeat of Just speech by Unjust speech does not render Pheidippides the ability to overcome Strepsiades, it is a parallel that may be compared with many other instances in Mythology and real life.

Michael Walzer's Just and Unjust Wars remains the standard account of just war theory despite the criticism it has received. Much of that criticism denies the political character of just war discourse by substituting general moral principles for principles generated in reflecting on the use of military force. It challenges Walzer's view of the relationship between morality and politics and ...
