The United States would be operating with a less-than-perfect intelligence picture of Iran's nuclear weapons infrastructure, however. The Iranians cannot have escaped learning the importance of diversifying and building redundancies into their nuclear weapons program components in light of Israel's preemptive strike on Iraq's nuclear power facility.

It can be a fun game, but there is obvious NTR right from the start. For one the game doesn't exactly say what happens during the "purification" ritual as far as I can tell but one woman in a skimpy outfit locked in a temple for 4 days with 7 guys seems pretty clear to me, also if you accept a request for help in the shop about 10 minutes into the game at the first town you can send the elf to ...

Shadowstuff (or shadow-stuff), also known as shadow substance or shadow material, was a shadowy form of matter integral to the Plane of Shadow. It was found in items and phenomena there and in the bodies of creatures of darkness, and it was employed in some forms of illusion magic and shadow magic. It could also be crafted as weaponry, building materials, and other items, but such things were ...

Shadowgloom was an illusion spell that could be employed in two different ways. The two usages were called gloomcloud and quickshadow. The former created a cloud that could envelop an object or creature for concealment purposes. It protected creatures inside from the effects of sunlight and creatures whose vision wasn't fully functional in daylight. The cloud also made it difficult to make ...
