Gastrointestinal, gall bladder, pancreatic, and liver problems are areas where naturopathic doctors in general have much to offer; the doctors at Nutima Integrative Medicine are no exception. Dr. Miller is extremely passionate about gastrointestinal (GI) disease because she suffered for many years from debilitating pain, gas, bloating, and inability to eat many foods without becoming very sick.

Natural Gastroenterology - Nutima Integrative Medicine

And with education a core mission of the institute, Dr. Boyer worked out ACGME approval for a fellows exchange program that allows gastroenterology fellows from the University of Nevada - Reno School of Medicine in Las Vegas to complete their hepatology clinical training here under the guidance of UA faculty (pictured on left in image above right) at Banner - University Medical Center Tucson.
