Biography. Wang Qingsong is a contemporary Chinese artist whose large-format photographs address the rapidly changing society of China. His photographs, appearing at first humorous and ironic, have a much deeper message. Critical of the proliferation of Western consumerism in China, his, Competition(2004), depicts the artist standing with a megaphone in front of a city hall covered in advertisements for brands such as Citibank, Starbucks, and Art Basel.

Brief biographical sketches of Chinese martial artists are some of my favorite posts to write. I am not sure why, but I find the challenge of reconstructing a very different type of life, or way of living, irresistible. Societies and cultures are never stable targets. They are constantly moving, splitting and changing.
