The Sea-Doo XP was a model of personal watercraft produced by Bombardier Recreational Products from 1991 to 2004. The Sea-Doo XP is a significant model in that it was the first high performance version of a sit-down style watercraft to be offered by any manufacturer. Since the craft's introduction, all other personal watercraft manufacturers have introduced and continue to offer high ...

I've introduced enough novice riders to Sea-Doo's iControl technology that I understand how some folk may be confused at first. I've even heard dealers lament about customers that thought something was wrong because they couldn't seem to get their new Sea-Doo working properly. 99.9% of the time, the Sea-Doo watercraft was fine. The real problem is that few of us read manuals anymore ...
