The Pebble In My Pocket

Meredith Hooper was born in Australia. An Antarctic specialist, she has made several research trips to the continent. In 2000 she was awarded the Antarctica Medal by the US Congress. Her books for Frances Lincoln include The Pebble in my Pocket, which is the only children's book ever to be shortlisted for the Dingle History of Science Book Award.

The Pebble in My Pocket: A History of Our Earth: Hooper ...

The pebble in my pocket is round and smooth and brown. This is a wonderfully factual account of the journey made by one tiny pebble over 480 million years of earth's history. It begins by explaining the process of rock formation and erosion documenting each step of the journey which the pebble would have taken in order to reach its present form.
