Cairo - The White Desert, a dramatic gleaming chalk landscape in western Egypt, is rightly deemed one of the country's astounding natural wonders. The secluded area, about 500km from Cairo, offers unmatched and inspiring natural sanctuary far from the noise and pollution of urban centres.

### **Egypt's White Desert, a natural museum of chalk rock ...**

The white desert is the most popular and interesting area in the Western Desert. The White Desert of Egypt is located 45 km (28 mi) north of the town of Farafra. Most visitors to Farafra Oasis go there to see the White Desert, el-Sahara el-Beida, the area to the north-east of Qasr el-Farafra which is renowned for its spectacular scenery.

### **White Desert Egypt | Western Sahara Desert Egypt**

About 20km northeast of Farafra, on the east side of the road, blinding-white chalk rock spires sprout almost supernaturally from the ground, each frost-coloured lollipop licked into a surreal landscape of familiar and unfamiliar shapes by the dry desert winds.

### **White Desert National Park | Egypt Attractions - Lonely Planet**

The White Desert is justifiably the most well-known desert destination in Egypt - and for a good reason. The quantity of unearthly and beautiful wind-carved rock formations shaped in the form of giant mushrooms or pebbles is unequalled in any desert in the world. Farafra is nearer than Bahariya to this 300 kilometres protectorate, yet it offers a more limited choice of tours and safaris.

### **Egyptian Tourism Authority - The White Desert**

Main article: White Desert National Park. A main geographic attraction of Farafra is its White Desert (known as Sahara el Beyda, with the word sahara meaning a desert) — a national park of Egypt and 45 km (28 mi) north of the town of Farafra, the main draw of which is its rock type colored from snow-white to cream.
